

# Virginia x latola = Impressive Results!

## **Bridon latola Veronica GP-82 (2-1)**

+1031 LPI 94th percentile  
1-11 305 7566 343 4.5 280 3.7 (297-252-289)  
Will be fresh again in March

Her full brother:

## **Bridon Vincent**, owned by Semex Alliance

We have Vincent calves on the ground now  
and are very happy with them!

Dam to Veronica and Vincent:

## **Huronia Centurion Virginia EX-93-3E**

5-6 305 10051 457 4.5 344 3.4 (285-241-259)  
Nominated All Canadian Senior Two Year Old 2004

*We have Virginia embryos available by  
"Minister," "Jade," "Legacy" and "Rocket"*

*We are also starting to calve in our first daughters of Bridon Jade's Exploit (Jade x Sambo Chastity) and they are impressive!  
Come see for yourself during the herd tours as part of the Jersey Canada Annual Meeting in Brantford in March.  
We look forward to your visit anytime!*
