- Cinq générations de vaches classifiées Ex. précédent ce très beau jeune taureau doté d'un développement exceptionnel et d'une bonne profondeur de corps
- Son père, Blackstone, engendre beaucoup de production tout en améliorant les pourcentages de gras et de protéine. Il améliore considérablement la conformation, transmettant des attaches arrière hautes et larges, et de solides ligaments suspenseurs
- La mère de JARGON présente des différentielles positives en production. Elle est issue d'un taureau d'étable, un fils de Rock Ella Paramount qui a été utilisé suffisamment pour obtenir une épreuve satisfaisante pour les caractères de production et de conformation

- Five generations Ex. back this growthy, deep-bodied and strikingly correct young sire
- His sire, Blackstone sires high production while improving fat and protein tests. He is a significant improver of type, transmitting high and wide rear attachments and strong centre ligaments
- JARGON's dam shows positive deviations for production and is sired by a homebred son of Rock Ella Paramount that was used heavily enough to obtain a proof which is pleasing for production and type traits
